- [3] The determinants of hosting IDPs in Eastern Congo. With P. van der Windt and L. Peishakin
- [2] Powering development, stabilization and conservation? The impact of electricity roll-out in Eastern Congo. With E. Lunanga and M. Verpoorten.
- [1] Jobs and stability in North-Kivu, DR Congo: evidence from a policy experiment. With M. Verpoorten.

REGISTERED PRE-ANALYSIS PLANS

- [1] Violent displacement and empathy. The determinants of hosting in Eastern Congo. EGAP Registry: [20190924AD](#). With P. van der Windt.

HONORS AND FELLOWSHIPS

- [4] Research Foundation Flanders (FWO). € 248,828. Fellow. Three-year post-doctoral fellowship. “*The multidimensional impact of rural and urban electrification: economic development, security and conservation? Evidence from Eastern Congo*”. 2019-2022, ongoing.
- [3] McKinsey & Company and Research Foundation Flanders (FWO). Nov. 2018. Scientific Prize McKinsey & Company. Award of € 5,000 in recognition of original PhD research with socio-economic relevance.
- [2] Research Foundation Flanders (FWO). € 88,074. Fellow. Two-year renewal of PhD fellowship. 2015-2017, completed.
- [1] Research Foundation Flanders (FWO). € 84,378. Fellow. Two-year PhD fellowship. “*Why fight? A study on the nexus between mineral resources, conflict and employment opportunities in the mining sector of South-Kivu, DRC*”. 2013-2015, completed.

GRANTS

- [8] Joint Data Center on Forced Displacement. \$ 363,300. Co-PI. With P. Van der Windt and UNHCR. Socio-economic survey in the Grand Kasai, DR Congo: Focus on IDPs, returnees and host communities. 2021-2023, ongoing.

- [7] Anonymous donor. \$ 250,000. Co-PI. With Atlas AI and M. Verpoorten. Grant to explore the extent to which satellite- and machine-learning based estimates can complement survey-based outcome measurements 2021-2023, ongoing.
- [6] Research Foundation Flanders (FWO). € 364,235. Co-PI. With M. Verpoorten “*The multidimensional impact of rural and urban electrification: economic development, security and conservation? Follow-up research in Eastern Congo.*” 2021-2024, ongoing.
- [5] University Research Fund (BOF). € 195,000. Co-promotor. With M. Verpoorten. Grant to fund a four-year PhD track. “*The multidimensional impact of rural and urban electrification: economic development, security and conservation? Evidence from Eastern Congo*”. 2019-2023, ongoing.
- [4] Anonymous donor. \$ 310,600. Co-PI. With M. Verpoorten. Grant for an impact evaluation in the DRC. “*Powering development, stabilization and conservation? The impact of electricity roll-out by Virunga Alliance in Eastern Congo*”. 2019-2023, ongoing.
- [3] University Research Fund (BOF). Grant holder. € 7,500 grant to conduct fieldwork in the DRC. 2019, completed.
- [2] Global Minds (VLIR-UOS). Grant holder. € 2,600 grant for a visiting research stay at the University of Cape Town. 2017, completed.
- [1] IOB Research Fund. Grant holder. € 7,000 grant to conduct fieldwork in the DRC. 2013, completed.

PRESENTATIONS

- 2019 WGAPE (U. of Cape Town); PhD seminar IOB (U. of Antwerp); EOS seminar (U. of Antwerp).
- 2018 Fruit for thought seminar IOB (U. of Antwerp, 2018); SALDRU seminar (U. of Cape Town, 2018).
- 2017 International Mining Conference (U. of Ghent, 2017).
- 2016 UNU-WIDER Development Conference (UNU-WIDER Helsinki, 2016).
- 2015 Conference on Mining, conflict and post-conflict reconstruction in Eastern DRC (U. of Antwerp); Workshop on natural resource management (U. of Abomey-Calavi Benin); IOB research day (U. of Antwerp); Round table on Extractive Industries, CSR and Development (U. of Antwerp).
- 2014 ASREC conference on the Economics of Religion (Chapman U. California); LICOS seminar (U. of Leuven).
- 2013 IOB research day (U. of Antwerp: 2015 & 2013); LICOS seminar (U. of Leuven); CSAE Conference on Economic Development in Africa (Oxford U.); European Association of Agricultural Economists (U. of Leuven).
- 2012 LICOS seminar (U. of Leuven).

FIELDWORK & VISITING RESEARCH STAYS

- [10] **DR Congo**, Feb. 2019. Baseline survey for the impact evaluation of an electrification project in North-Kivu.
- [9] **DR Congo**, Nov. 2018. Defining sampling strategy and survey pilot for the impact evaluation of an electrification project in North-Kivu.
- [8] **South-Africa**, Jan. – June 2018. Visiting research stay at the University of Cape Town, Southern Africa Labor & Development Research Unit.
- [7] **South-Africa**, May – August 2017. Visiting research stay at the University of Cape Town, Southern Africa Labor & Development Research Unit.
- [6] **Benin**, Dec. 2015. Presentation at a workshop on natural resource management. Visit to fishing communities in preparation for the upscaling of a behavioral field experiment.
- [5] **DR Congo**, March – May 2015. Structured survey among 470 miners in an artisanal gold mining site in South-Kivu.
- [4] **DR Congo**, Dec. 2014. Semi-structured interviews and survey pilot in two artisanal gold mining sites in South-Kivu.
- [3] **DR Congo**, May – June 2014. Semi-structured interviews and focus group discussions in Bukavu and an artisanal gold mining site in South Kivu.
- [2] **Benin**, March – April 2013. Surveys and pilot of a behavioral field experiment in the framework of a study on natural resource management, social preferences and religion among fishing communities.
- [1] **Tanzania**, Aug. – Nov. 2009. Household surveys in the Southern highlands of Tanzania to assess factors hindering the development of rural income generating activities.
